

## Annual Report 2016/2017

### Our Team...Just us!

#### Trustees:

Zonya Jeffrey- Chair, treasurer

Andrea Crump- Secretary

Vera Rowe

#### About us

***'We believe in giving communities a chance to be self-sustainable. We believe that an individual deserves the right to education, healthcare and to reside in a safe environment.'***

Families affected by HIV and AIDS are still facing discrimination, prejudice and stigma daily. This can cause serious problems with obtaining employment and being accepted in their own communities and with their families.

Our work is focused on supporting mothers and their babies and children in families affected by HIV/AIDS, Malaria and Cholera by:

1. Aiding the advancement of citizenship or community development by promotion of community capacity building which in turn provides the relief of poverty- *Provision of safe and secure washing facilities for women and young girls to enable empowerment of women and their families to bring about self sustainable farming and market town communities*
2. Aiding the advancement of education- *Providing children's clothes/school uniforms, shoes and learning materials so students can attend school primary school*
3. *Aiding the advancement of health and saving lives- Providing mosquito bed nets to prevent individuals contracting malaria*

We are a totally self-funded organisation that has developed out of love for a welcoming African community during our travels and volunteer work overseas in the dusty town of Ifakara.

We travel out to Ifakara every other year and distribute mosquito bed nets and children's clothes/school uniforms, shoes and school learning supplies.

## **Donation and Fundraising 2016/2017**

We continue our UK charity registration with the HMRC and also *BT mydonate* and *Just Giving* donation websites.

We do receive a number of generous donated funds from independent donors and fundraisers annually and we also carry out fundraising activities ourselves. We really appreciate the efforts of these generous individuals and groups and we are very pleased with the fundraising that occurred in 2016/2017.

During the summer of 2016, we launched our ***Donate a Desk appeal***. Where we convert cash donations into 60 desks and chair sets for two classrooms

In November 12 brave men took to the floor to bare almost all and do a photo shoot for our Calendar Hunks charity calendar. They raised £530

All the funds raised in 2016/2017 went towards two of our permanent campaigns we have running:

- ***Donate a Desk appeal***- 60 Desk & Chair sets for Mapinduzi primary school, uniforms, shoes and learning supplies for up to 60 primary school children at Mapinduzi primary school
- ***A Good Start In Life***- Mosquito bed nets for new mums, their babies & children

## **Future fundraising plans and projects**

Child Aid Tanzania has shown increasing progression over the past few years and we feel that 2017/2018 will be an even more promising year for our charity:

1. Revamping our website: Making it clearer to view our campaigns and organisation information and easier for supporters to navigate around the site.
2. Overseas volunteer trip to Ifakara in November to provide school uniforms & desks/chair sets to 60 children at Mapinduzi primary school and mosquito bed nets to a local village community.
3. Working with an Ifakara women's group and Toilet Twinning to build a communal toilet and washing facility for one village community.

4. Developing a mini eBooklet with running events around the globe for charity runners
5. Developing an E-book aimed at individuals volunteering abroad in the health/Medical field and education sectors.

We envisage the upcoming year to be challenging yet exciting and rewarding. We would like to say a very big thank you to you, our donors, fundraisers; friends and family who help us strengthen capacity building in these Tanzanian communities by keeping the Ifakara and Manchester link strong. We couldn't do what we do without you all.
